

Hair & Make Up

Make Up

Stage make up is essential. Think of it as part of the costume. Girls & Guys of all ages should wear foundation, powder, eyeliner, mascara, and a lip color. Girls choose something vibrant, boys something natural. Blush is also needed on both to define the face. Stage lights will wash out the face and make it difficult for the audience and camera to see expressions. Girls can accent eyes with shadow. Silver shadow looks exceptional on stage. False lashes look great !

Glitter – Keep the glitter at home please. It's just too much to clean up

Hair

Hair can be distracting if not kept neat. We would like our performers to appear as professional as possible. Since we have different types of acts please use the following guidelines.

Girls

Ballet Students – A bun is required and all hair must be up securely off of the face.

Other Dance Classes – A low ponytail is preferred with the rest of the hair securely off of the face.

Boys Classes, Acting & Music Classes – it is still important to remember visibility when performing so please keep hair neat and away from eyes.
