**We have dancers competing Friday afternoon and Saturday afternoon.
Please plan to attend their performances.**

Dancers should pack a dance bag for each day of classes that contains all of their dance shoes (ballet, tap & jazz) and even some tennis shoes for hip hop. They should dress in a leotard and tights or dance short & fitted top for girls and dance attire for boys. They can wear fitted clothing only during class. Hair should be kept off face & neck. Please note that there will be vendors at this competition and more than likely your dancer will want to buy something. Please dress your dancer in their Dance BEAT gear for over clothing, which would be their jacket and a black pant.

It is a good idea to pack a few snacks for them along with a hair brush, additional hair ties, band aids, a sweat shirt & deodorant. The hotel supplies water in the dance rooms.

Observation passes are usually sold at the convention. Otherwise observers are not permitted in the dance rooms.
