

DANCE BEAT — CLASS DESCRIPTIONS

MUSIC & THEATRE

ACTING I, II, III

These classes are designed to be drama clubs where the students will bond and grow together as they experiment with the many aspects of acting. Students will be involved in working with existing plays and monologues and creating their own. They will expand their knowledge and technique through specialized activities. All students and levels welcome. Preparation for auditions and performance opportunities included.

MUSICAL THEATER I, II, III

Students love this class full of expression, music and fun. Students will act, dance and even sometimes sing to musical numbers from favorite Broadway shows, television shows and music videos.

DANCE & MUSIC IN ME

A combination class which introduces basic musical concepts of rhythm, dynamics, and tempo through songs, stories, finger plays, and basic instrumentation and dance through creative movement, ballet, tap and hip hop.

GROUP GUITAR

Designed for the beginning guitarist who will learn to read music and to play basic chords.

KEY BOARD

Classes will be instructed on keyboards but can easily be transferred to a home piano. We will offer group as well as private lessons for beginning to advanced students.

VOICE

Our voice instructor holds a PHD in music and voice and will work both privately and with groups at beginning to advanced levels.
